

SIMPLIFY YOUR HIRING PROCESS... BY...NOT DOING IT!!

Your Current Process Seems So Simple, Right...

- You have a job opening...
- You post the job on a job board...
- Highly qualified candidates flood your email...
- They magically show up for an interview and you hand them an offer on the spot...

The Reality...

You put off posting a job opening because you don't have time, you don't look forward to sifting through resumes, you don't have time to schedule interviews, you are busy trying to run your business..

That's Why You Should Leave the Time, Dirty Work & Reality to Us!

- We will write the Job Description
- We will search for the QUALIFIED Candidates
- We will screen the Candidates
- We will schedule your Interviews
- We will administer Profile and Skills Assessments
- We will check References
- We will write or assist you writing the Offers
- We will be the middle man in any Negotiations
- We will administer Background Checks

We are experts in the Flooring, Restoration and Home Improvement Industries
—we don't just hire for the jobs, we know and understand the jobs!

**We will make your life easier and get you back to what you do best,
focus on running your business at a Profit!**
